

EVIL GENIUS EXPOSED

By Dennis Marsch

Genre: Reference

Title: Evil Genius Exposed

Author: Dennis Marsch

Description: How do you know what something is, if you probably never experienced it before? FREEDOM. You might think you are free, when you are not! Are you the administrator of your own affairs? Are you sure? Could you be living a life of servitude without knowing it? Has the government become your legal trustee? If it has, how did it happen, and is there something you can do to change it? Would you change it if you knew how? According to the Bible, the truth shall set you free! Do you believe this? Do you really understand this?
